

# Thousand Oaks Flyers Youth Track Club - Parent Volunteer Registration Form

Name of Parents \_\_\_\_\_ Name of Child/Children \_\_\_\_\_

Our program is run entirely by volunteers. Support from parents is the necessary in order to maintain the high quality program that we are able to offer to the children of our community. Each family who has a child participating in the program is required to provide the Club with support in **one of the two** following ways:

1. Provide one adult helper at each of our 3 home meets and either the JV Finals or the Varsity Finals meet for a total of 4 meets. The helper will be expected to volunteer three to four hours of their time at each of the four meets, performing a duty from the list below.
2. Provide alternate club support as a coach, team manager, etc. These positions are filled by the direct recommendation of the Club Board.

Please select 3 choices from the volunteer assignment list. We will try to accommodate these preferences, however there can be no guarantee you will receive your shift preference. Your volunteer assignment will remain the same for each of the four home meets. If you are unable to perform your volunteer assignment you are required to find a substitute. It is not the responsibility of the Coach, Team Manager or Volunteer Coordinator to fill your position. A team roster will be available to each family. In addition to your registration fee due at time of registration, you will be required to pay a \$100 per family refundable Volunteer Security Fee. This fee will be refunded to you after successful completion of your volunteer assignment. You can expect your refund within two weeks of the completion of the Varsity Finals. *Failure to meet your volunteer commitment will result in the following:*

**1st infraction: Immediate forfeiture of the \$100 deposit**

**2nd infraction: Runner will be limited to one event only at following meet**

**3rd infraction: Runner will not be allowed to run in the JV or Varsity finals**
